THOMAS JEFFERSON HIGH SCHOOL

DALLAS, TEXAS

First Edition

1957

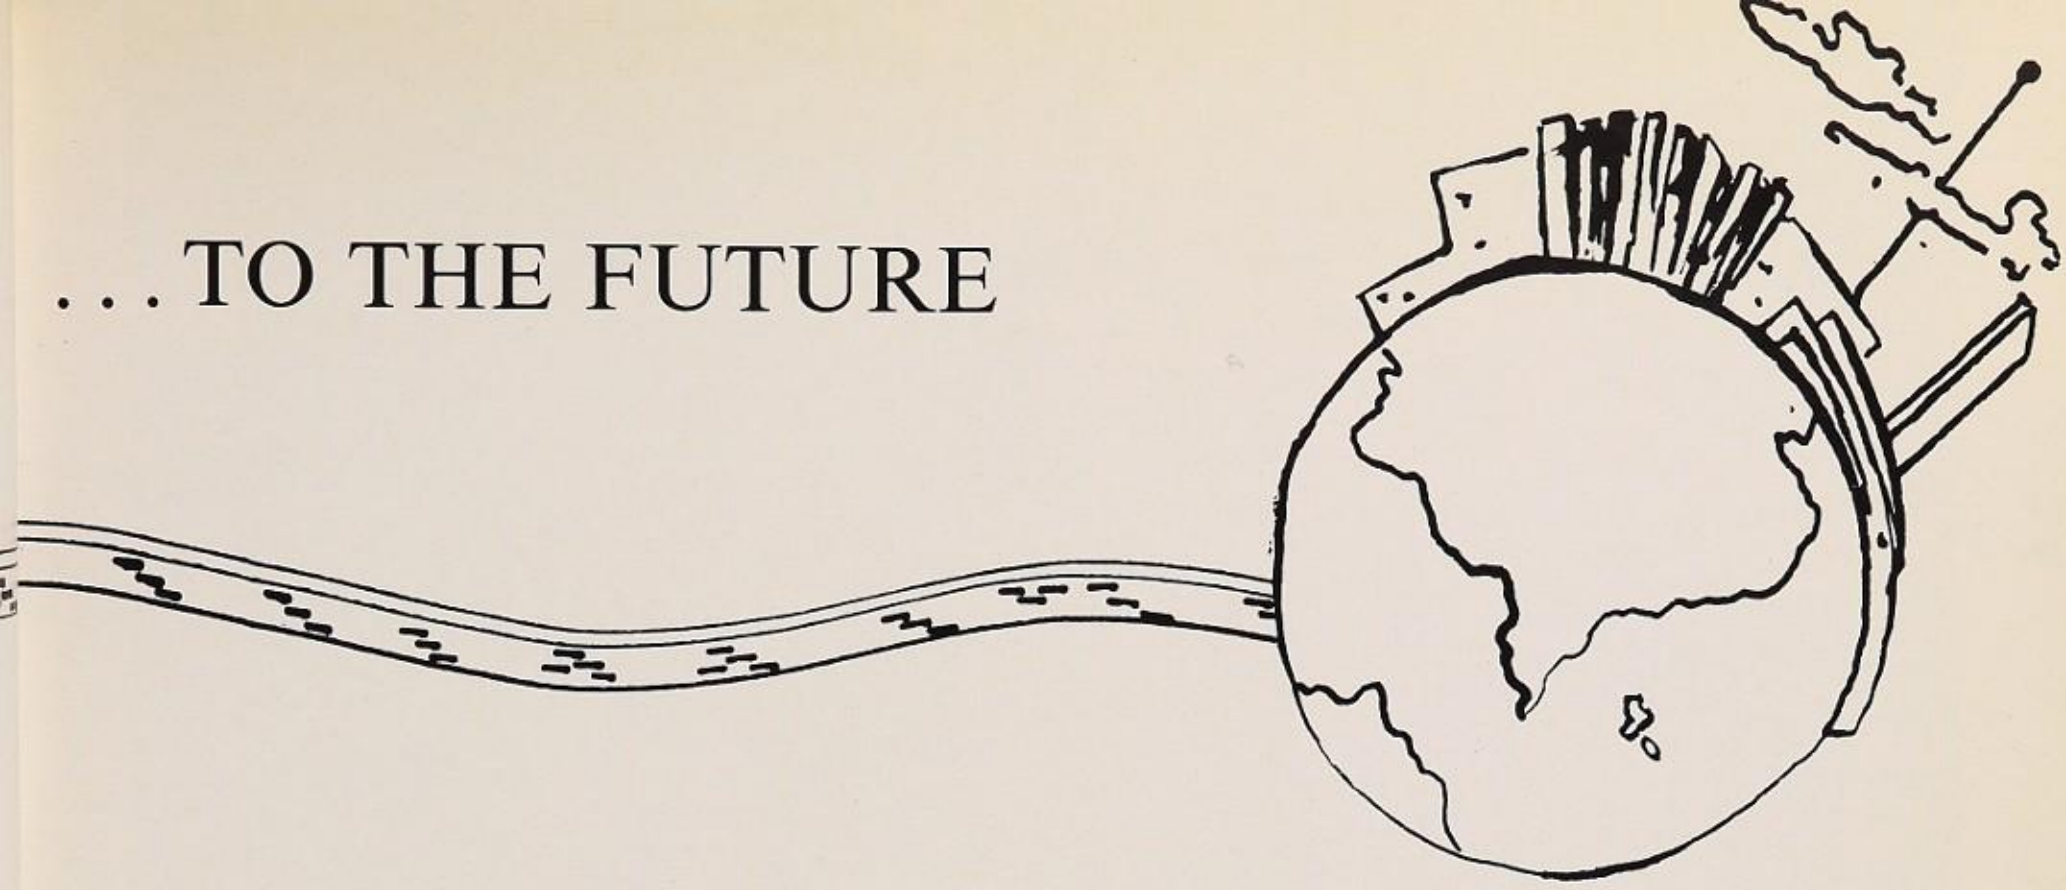
FROM THE PAST . . .

In every school there will be traditions—traditions based upon that which, in the past, has been tried and found worthy. We, too, have a heritage upon which to build, beginning with the noble name of Jefferson and what he stood for.

From this beginning, we may derive many worthwhile traditions of our own. It is, then, the unique responsibility of those of us here at Jefferson now, to establish such traditions for the future and for future students of our school.

May our traditions include first of all a love and respect for our school, its physical aspects, its human aspirations, and its social opportunities. May we always look forward and upward; and in so doing, may we apply sound principles of democracy to the individual and to our school.

. . . TO THE FUTURE



We have chosen the name DOCUMENT for our annual with all of these things in mind. The term *document* means an original official paper or book judged to be authentic, which includes writings and information representative of the thoughts of a given group of people. Behind the term, further, are many implications connected with the heritage of the American people, of documents precious to our past history.

Thus THE DOCUMENT of Thomas Jefferson High School is presented with the belief that it will be representative of the dreams, the aims, the ambitions, and the day-by-day activities of the student body.

It is hoped that the 1957 DOCUMENT, the first edition of what may become a well-beloved tradition of our school, may begin a long series of memory-storehouses for the students of Thomas Jefferson High School.

John Ingram, Editor

DEDICATED . . .

. . . to the honorable RICHARD E. STROUD . . .

. . . for his fairness and his understanding of the student's problem. Under his guidance we believe that Thomas Jefferson can and will become the best school in Dallas; and it is in the spirit of this promise of a bright future that we dedicate to him the first issue of THE DOCUMENT.

THE PRINCIPAL'S MESSAGE

TO THE STUDENTS AND STAFF OF
THOMAS JEFFERSON HIGH SCHOOL:

Traditions play an important part in developing "a school" into "a great school." We at Thomas Jefferson High School now are privileged to be laying the ground work of tradition for the future generations of students to follow and revere. It is, therefore, most important that we should choose that which is worthwhile, to establish as our standard. The tradition of having a favorable record of the vital activity of a school, it seems to me, ought to grow as the school grows. Such a chronicle should prove to be a treasured possession of any student, for it is a reflection of some of the happiest years of his life.

With this first edition of THE DOCUMENT, we intend to establish a tradition of excellence that will remain unbroken in the long years ahead. The annual will be deserving of praise in so far as Thomas Jefferson High School is deserving; that both may be successful is my earnest hope.

Very sincerely yours,

Richard E. Stroud

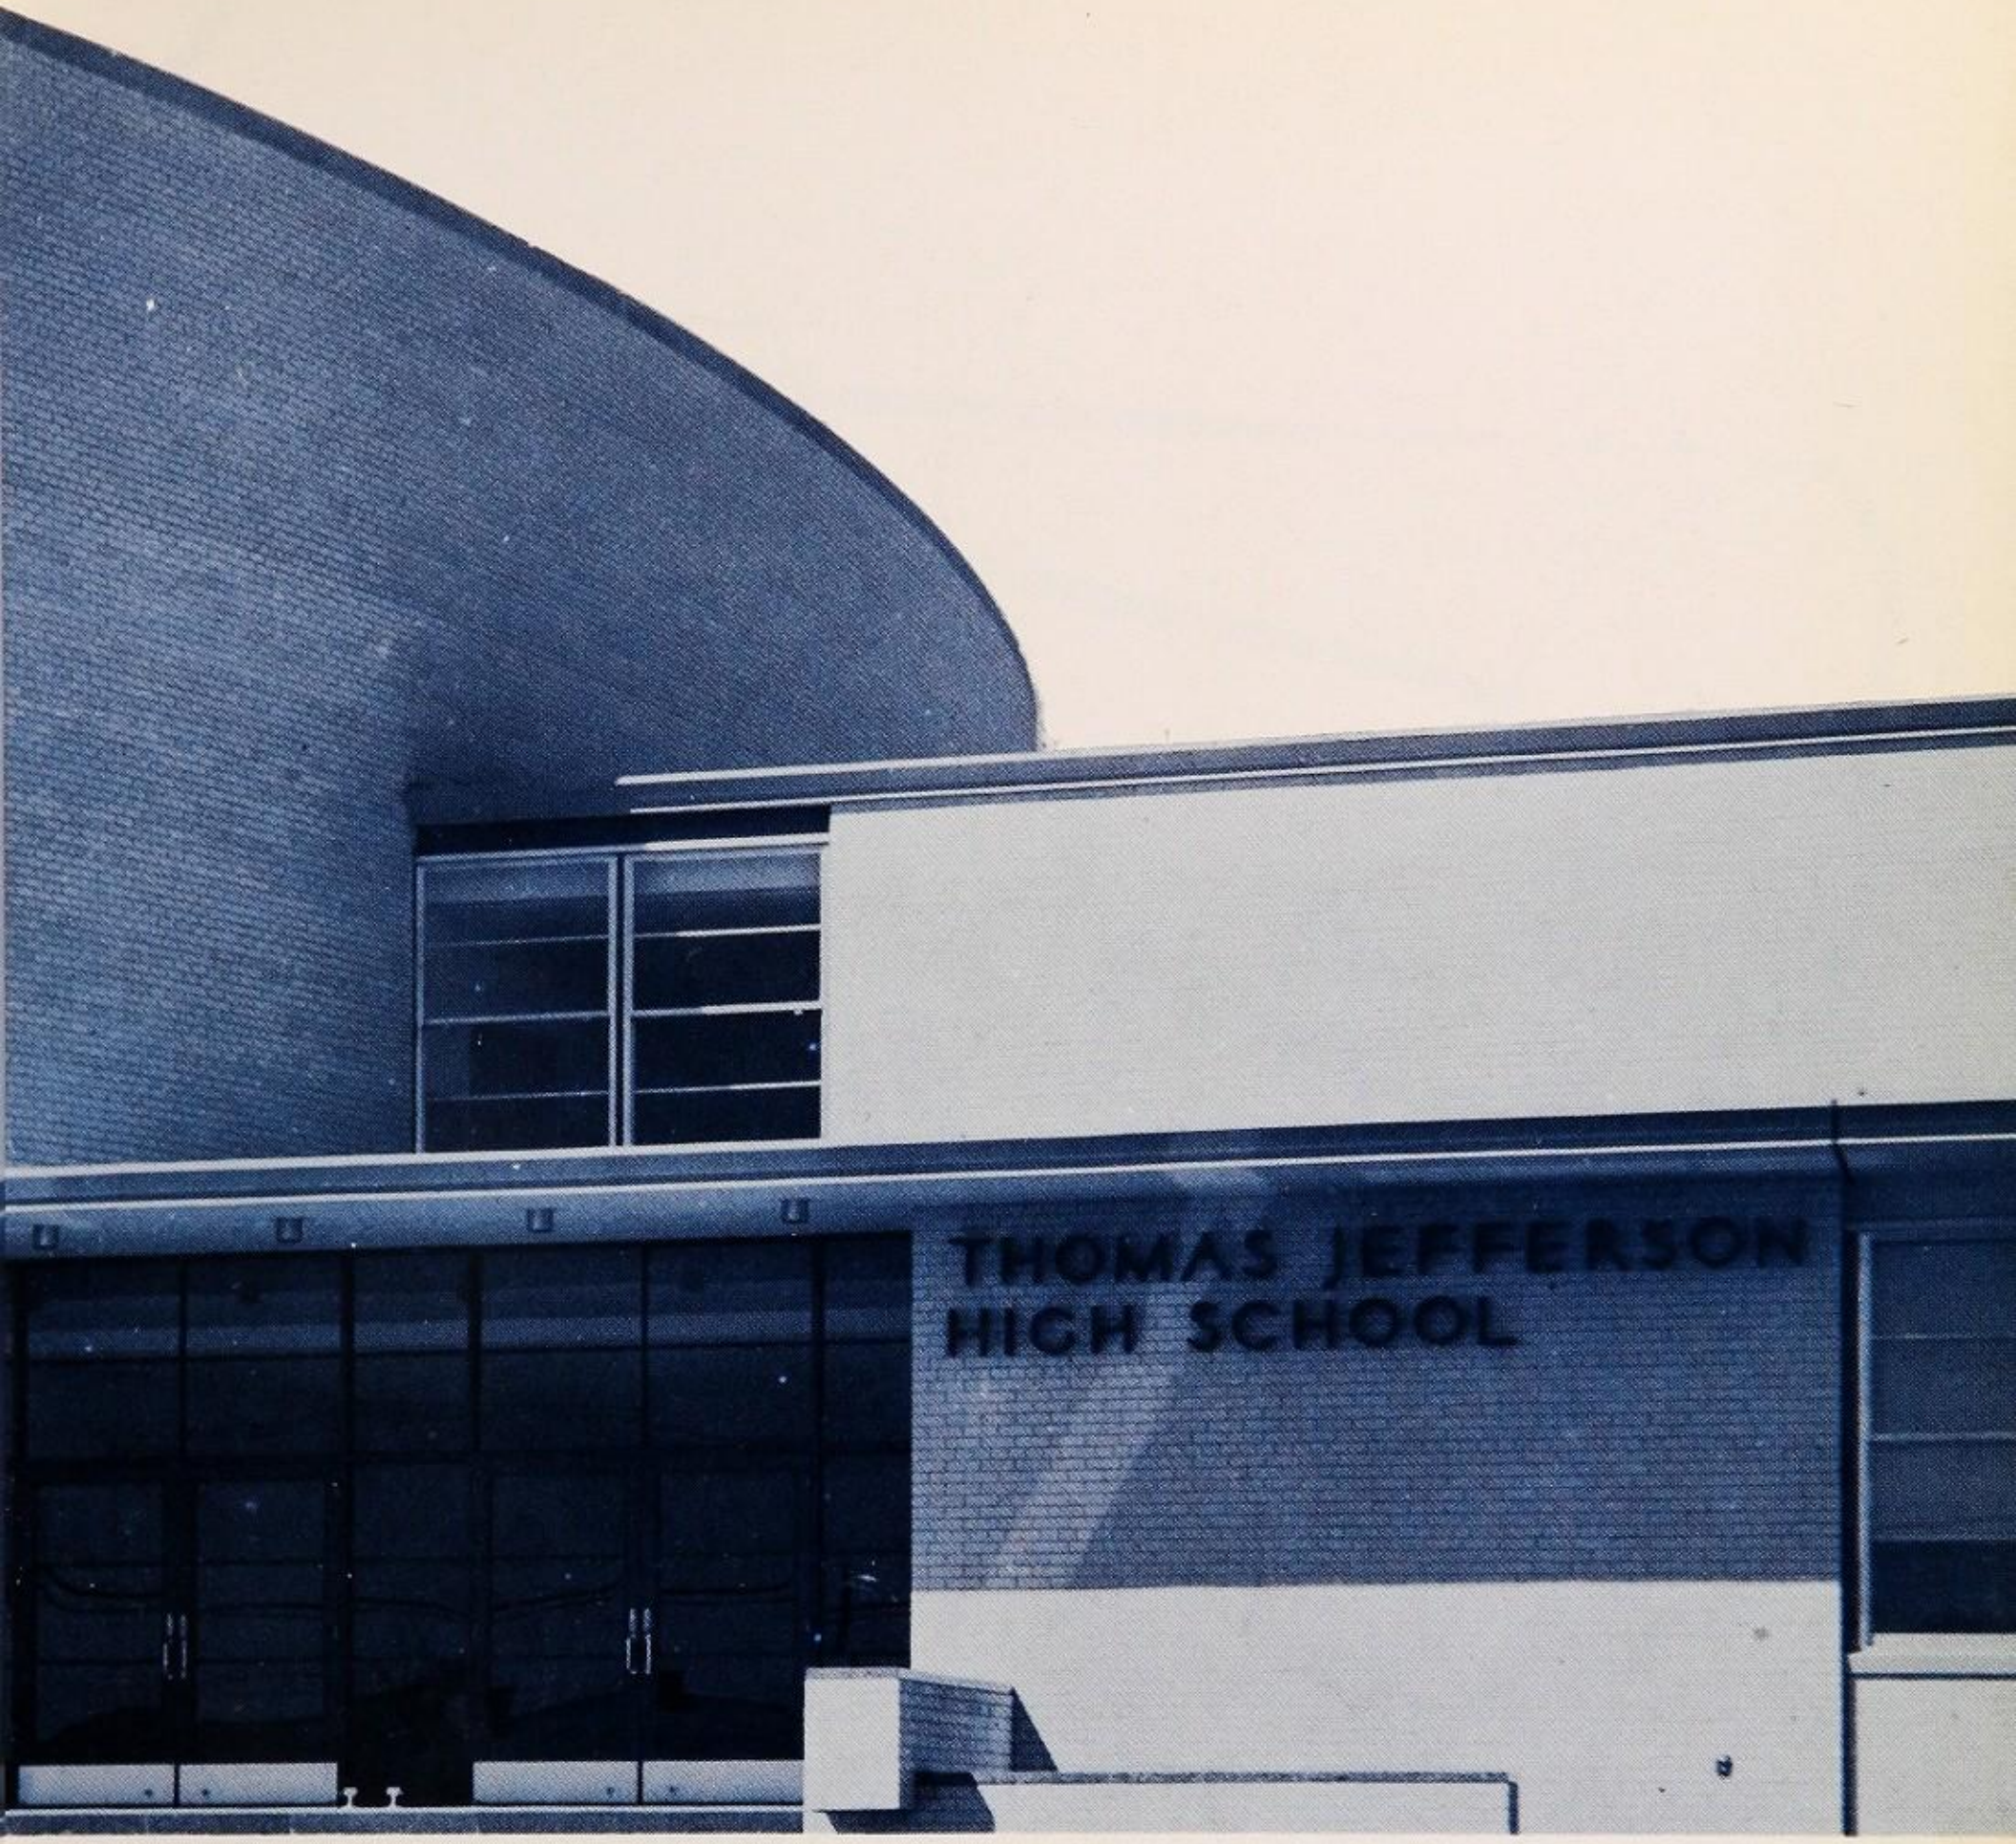
THOMAS JEFFERSON

Opened January 30, 1956, Thomas Jefferson High School has been described by Dr. Edwin L. Rippy as "Dallas' first great comprehensive public high school." It was constructed at a cost of some $2,182,603, which amounts to approximately $900 per student. The building is equipped to give extensive training in arts, sciences, comprehensive shop and prevocational work as well as academic study.



HIGH SCHOOL ~ 1957

The 171,750 square feet of the building covers 7½ acres of the 43-acre site. There are four softball fields, a football field, one battery of four separate tennis courts, an R.O.T.C. parade ground, and a practice field. Inside are 45 classrooms; band and choral rooms; a large auditorium; a mechanical drawing room; metal, wood, and electric shops; two typing and one bookkeeping room; four student activity rooms; R.O.T.C. armory and rifle range; eight faculty lounges; three study halls; a homemaking suite; biology, physics, and chemistry labs; and other modern facilities.

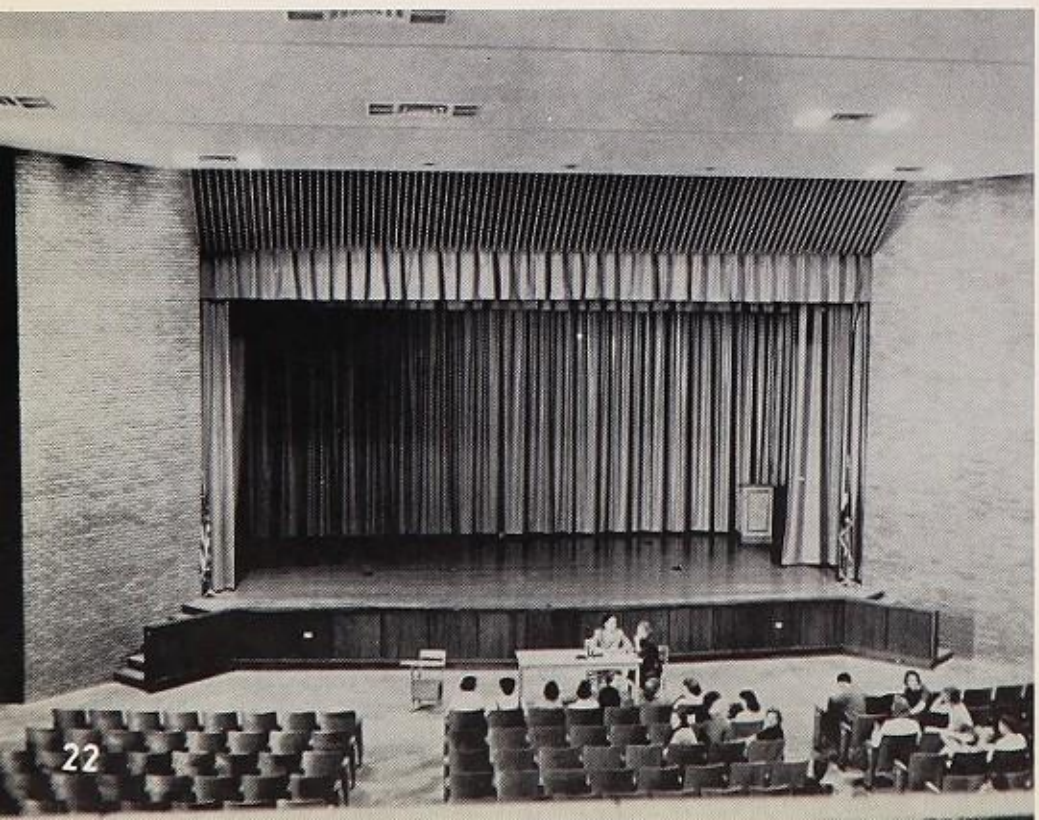
A WONDERFUL NEW PLACE

Students of Thomas Jefferson are well aware how fortunate they are in the facilities offered at their wonderful new high school. The most modern in the Dallas system, Thomas Jefferson presents a number of unique features. The physical aspects of the building, such as those pictured on these pages, are designed to provide an atmosphere which will prove stimulating both intellectually and socially.

The classrooms, furnished in an attractive blond and green decor, are light and airy.

The library offers a beautiful setting for recreational reading and research.

Three shops—metal, electric, and the wood shop pictured here—provide students an opportunity to develop vocational skills.

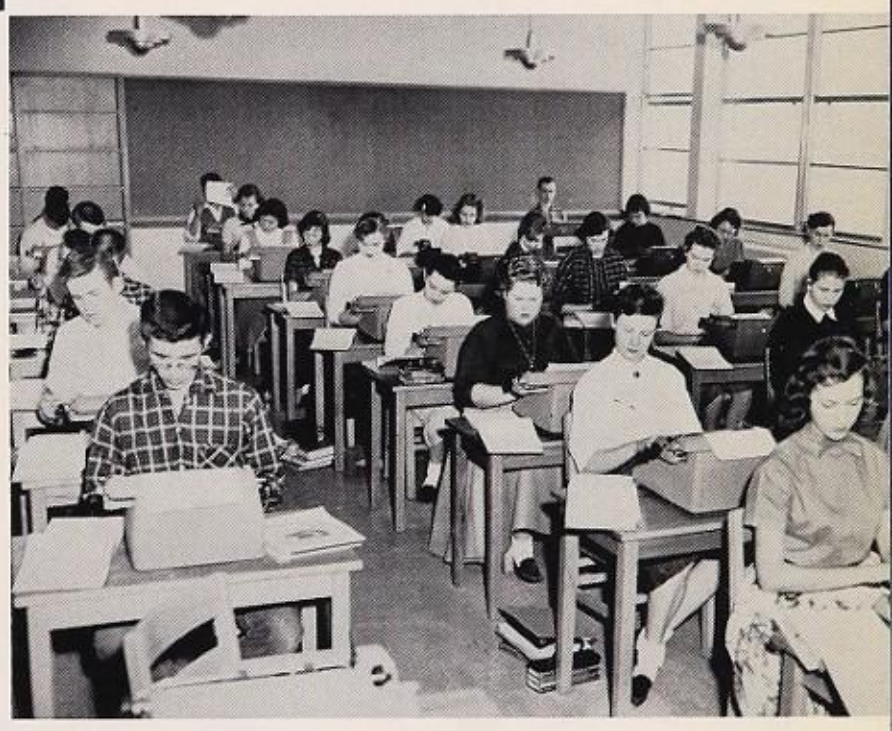


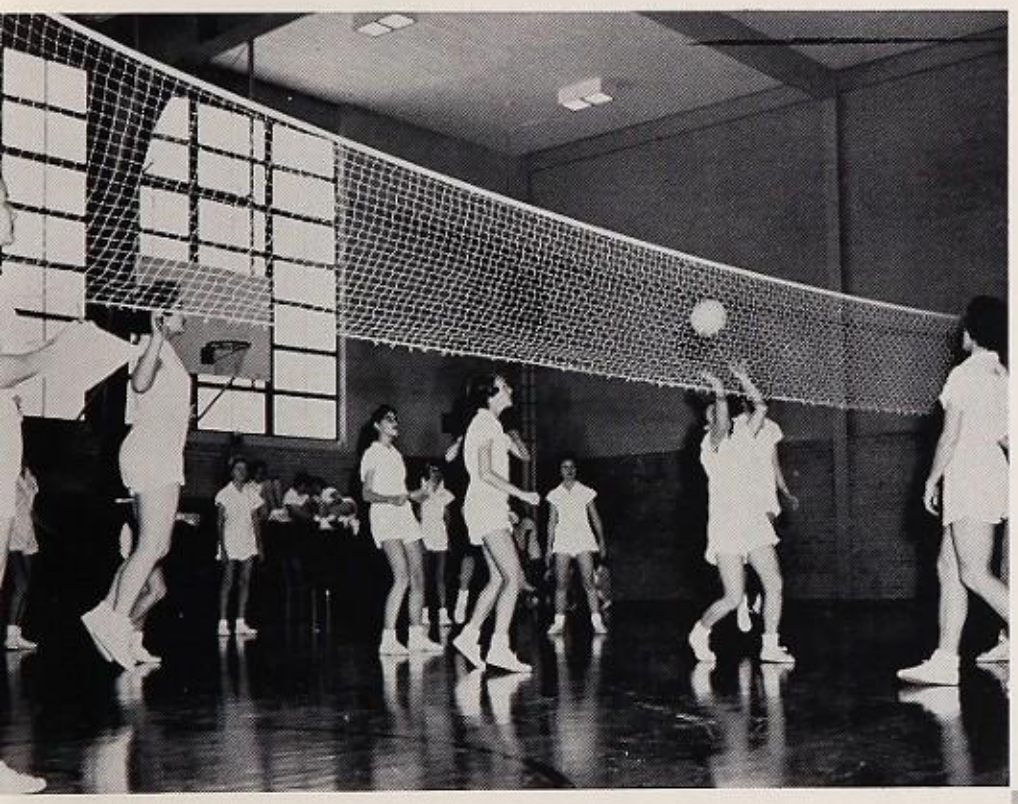
Among the most attractive features of the building is the impressive auditorium, a blend of light brick and dark wood.

TO LEARN . . .

Future homemakers enjoy using the beautifully decorated foods laboratory, which adjoins a parlor and a fully-equipped clothing laboratory.

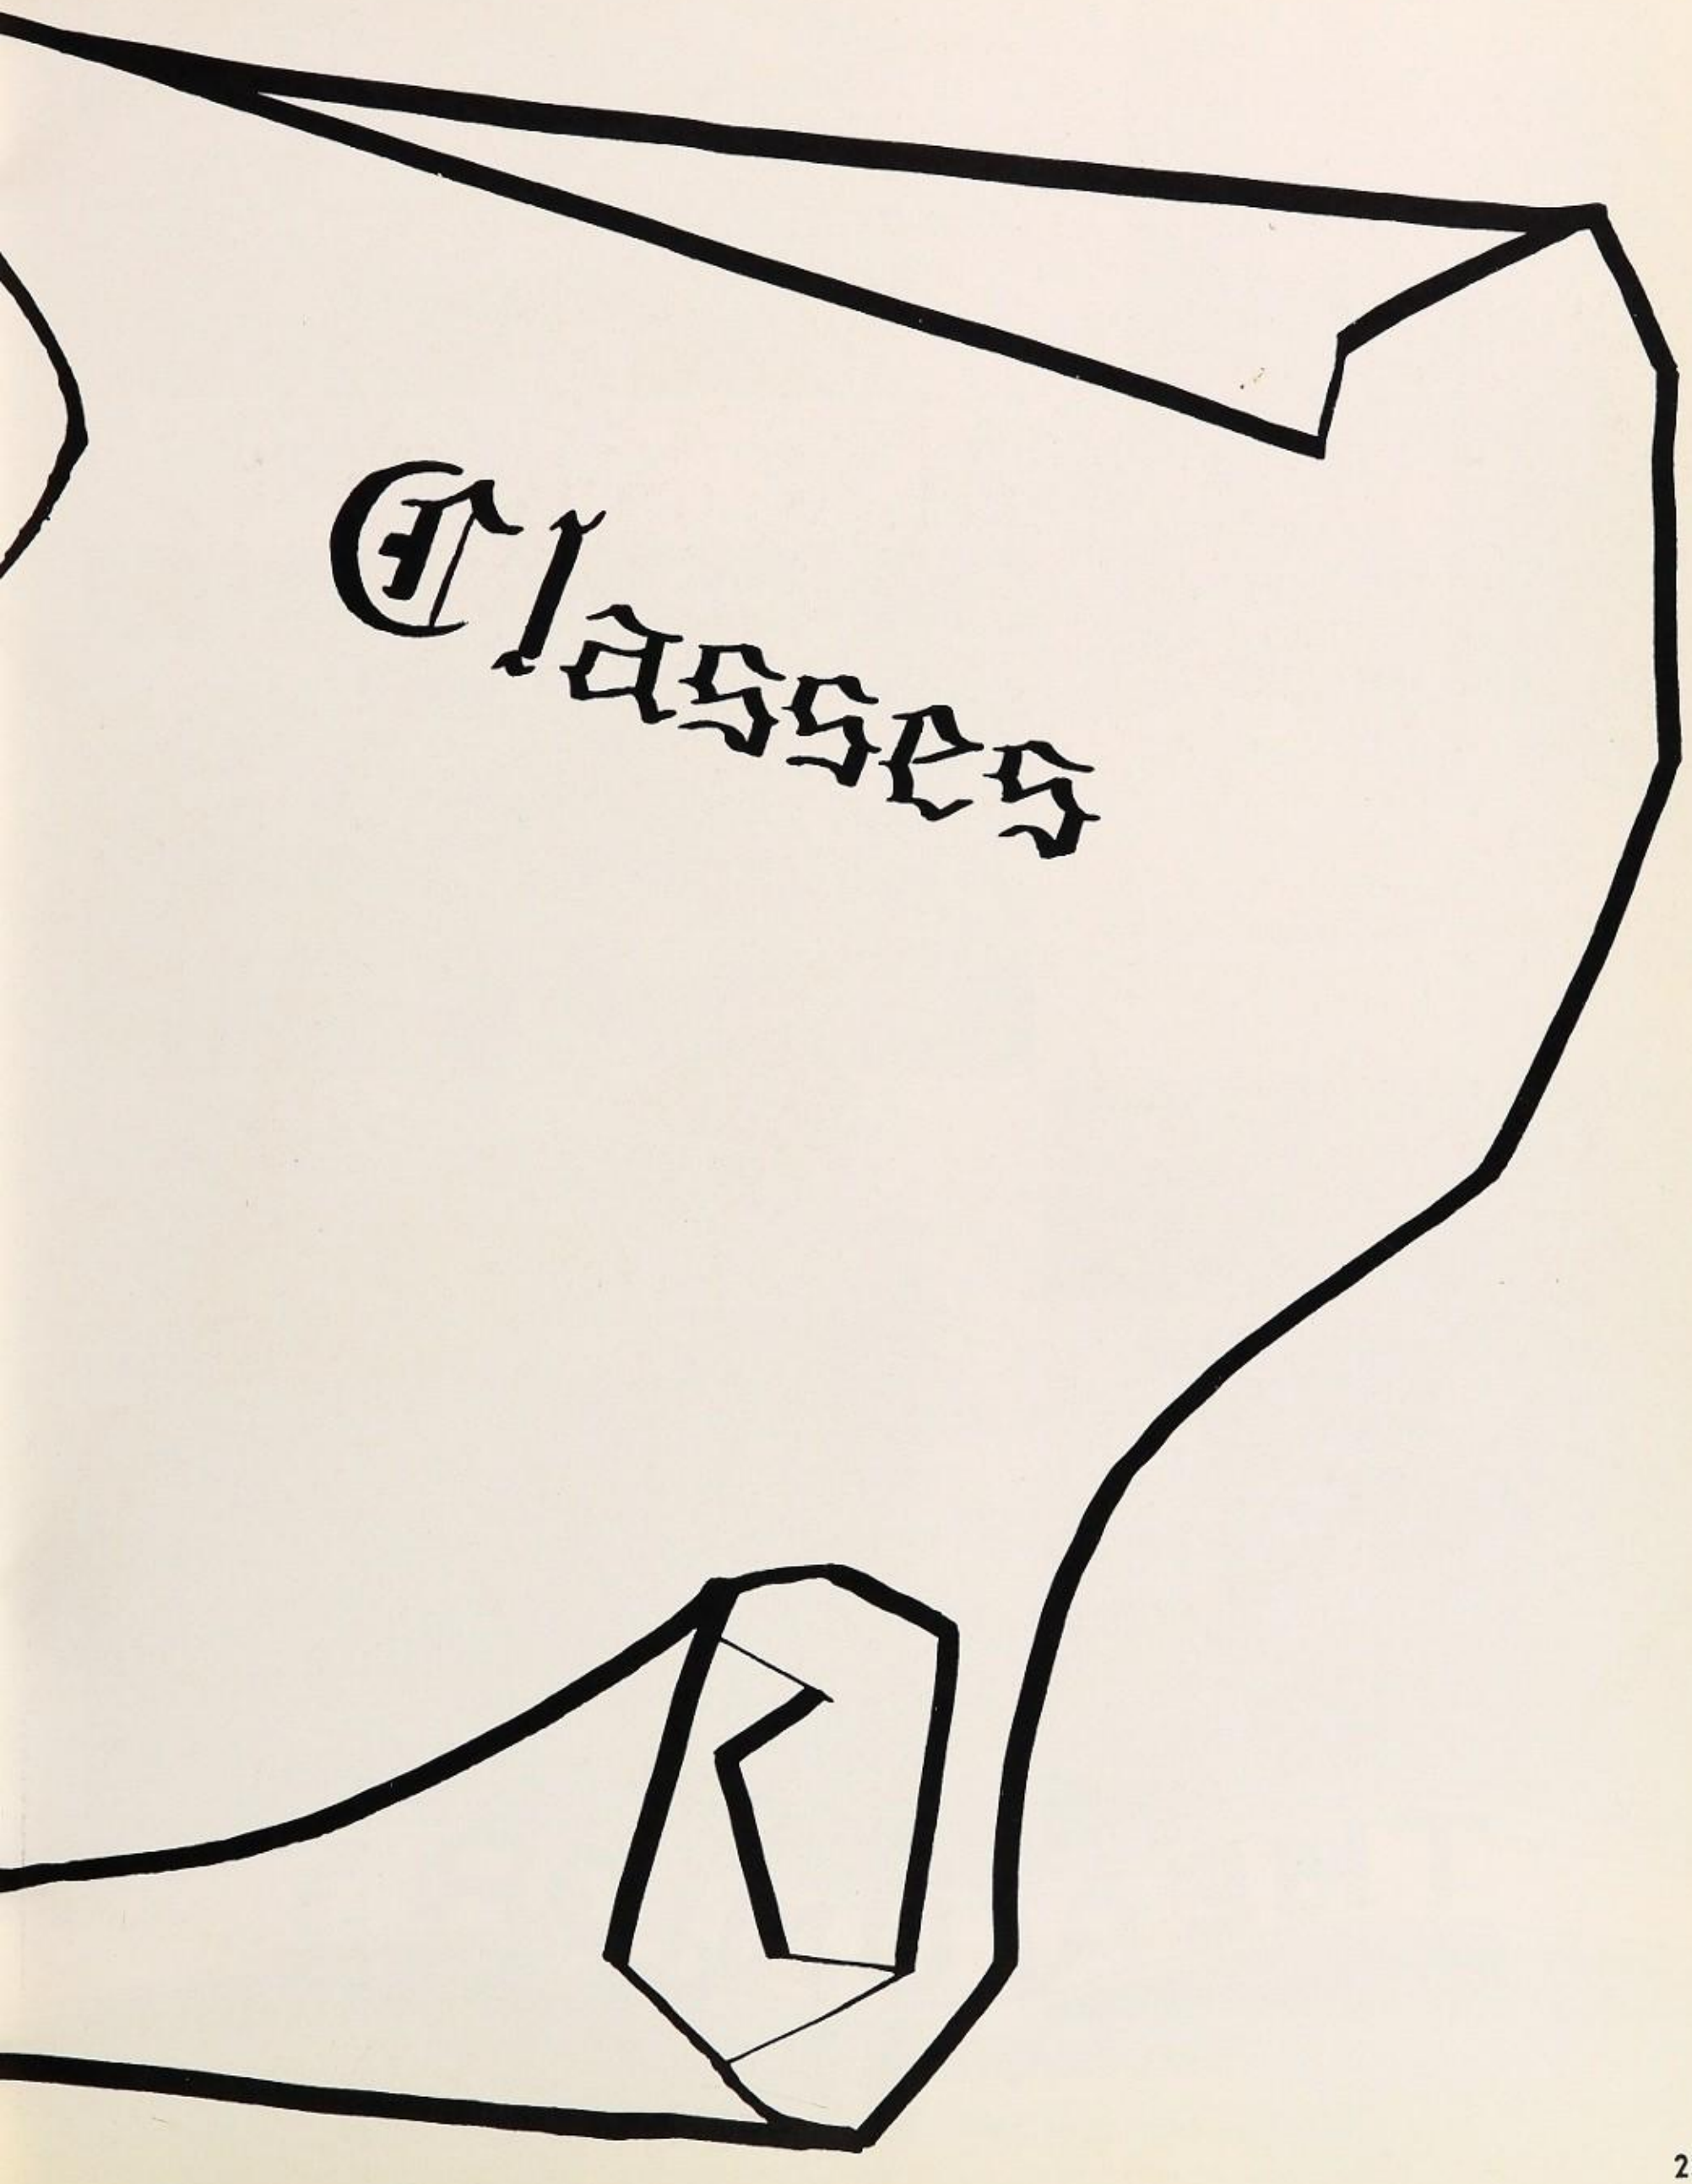
New machines are a feature of the typing rooms.





The spacious gym accommodates physical education classes, inter-school activities, and social functions.

The same aqua, red, and yellow color scheme found throughout the school brightens the cafeteria to provide a pleasing atmosphere.

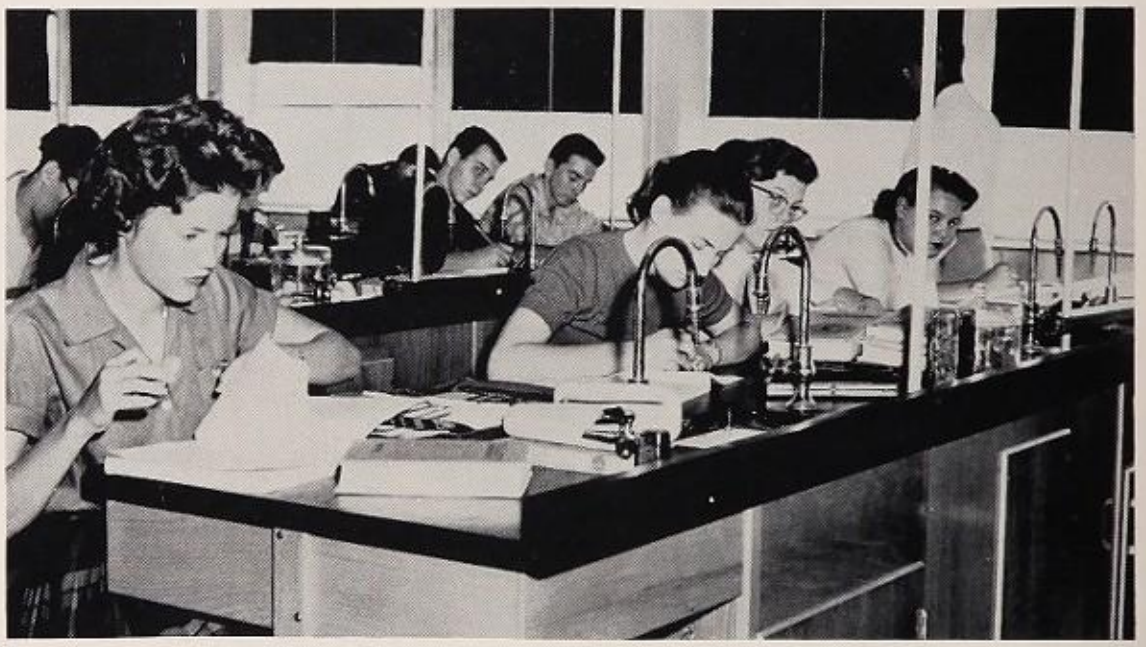


Classes

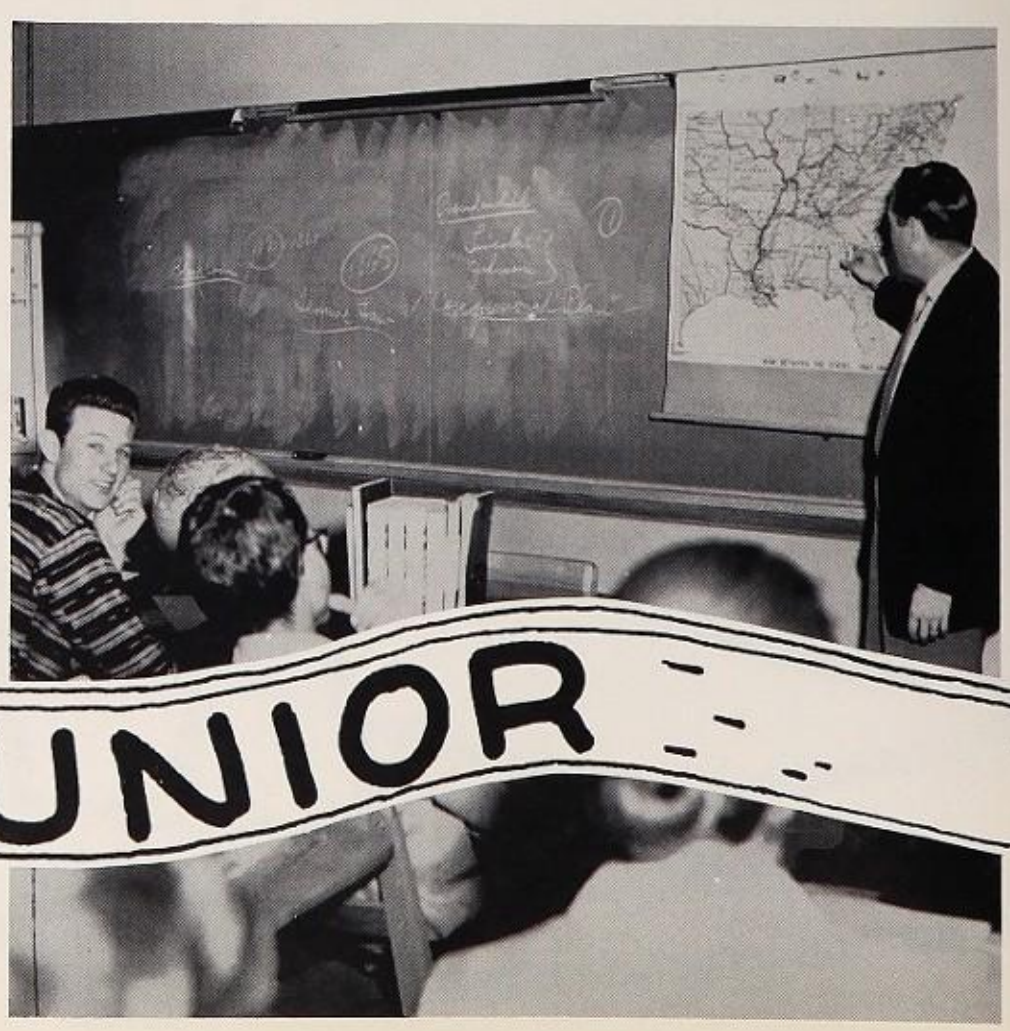
Janice Vickery explores the facilities of the new library.

Ronny Jones presents the first trophy for the new case.

Up and atom, Junior Chemistry Students!



The art room offers many opportunities for self-expression.



THE JUNIOR

American History is a feature of the Junior program.

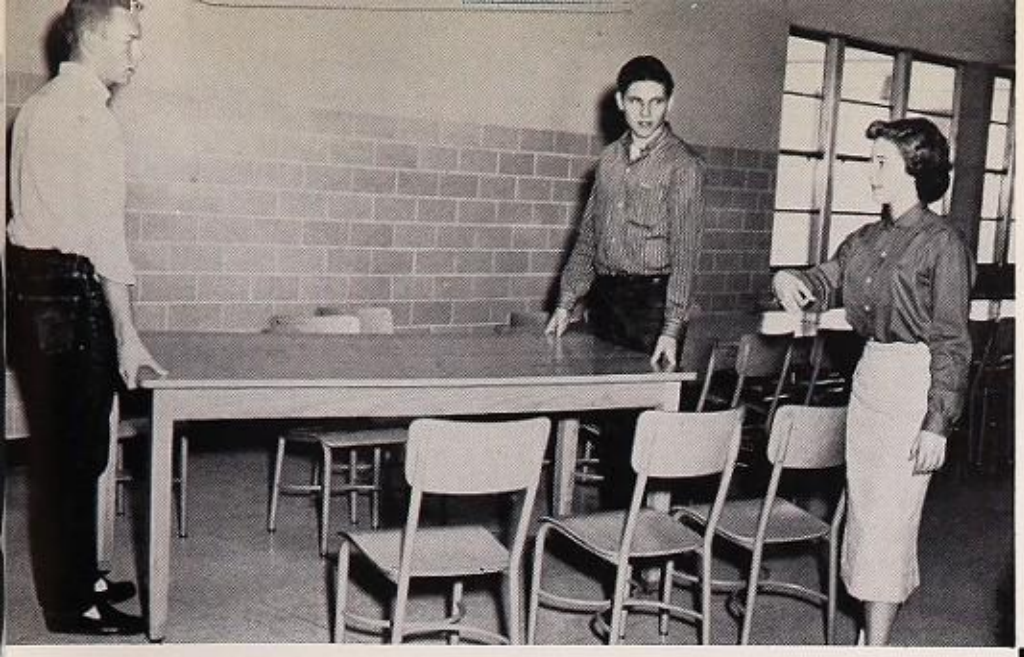
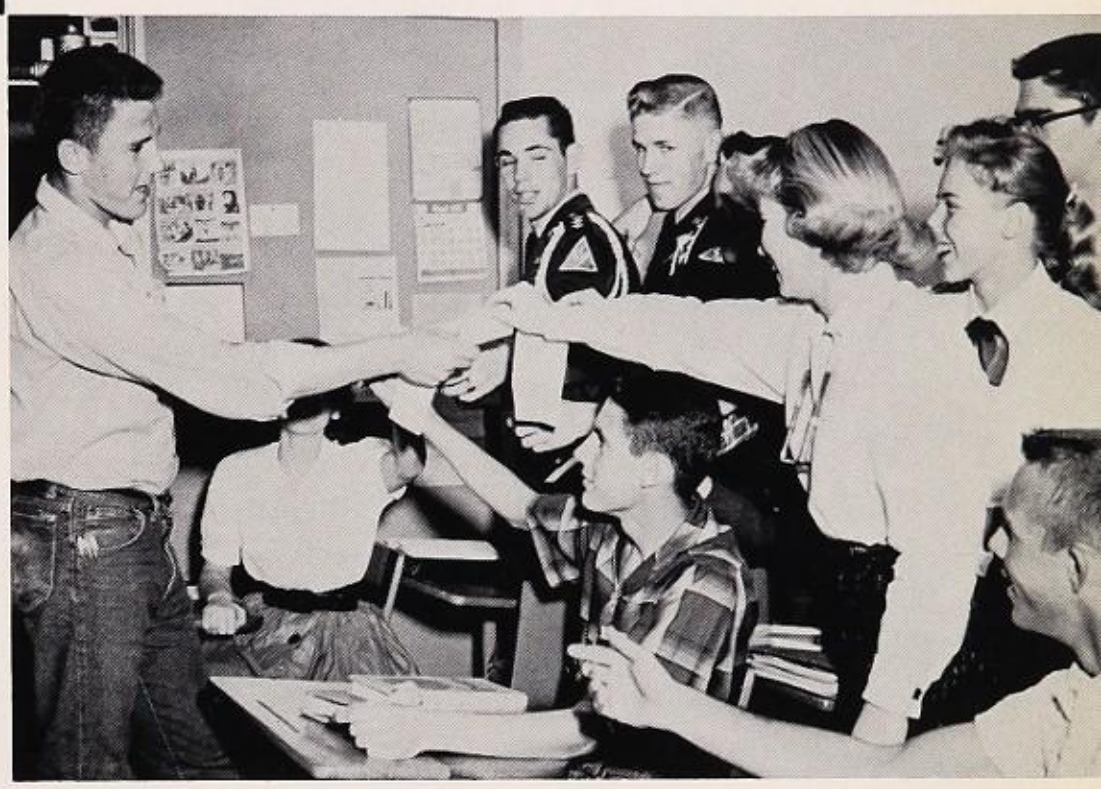
THE STUDENT COUNCIL



Solving the traffic difficulties in the lunchroom has been a major Student Council concern.



"Gimmie that ballot!" Nearly every homeroom period has seemed to bring another election, handled by council members.

Peggy Head and Thomas Bowman look through clippings for the Student Council scrapbook, a valuable record of the year's activities.

NEW COUNCIL MEMBERS

Front row: James Rigby, Bobby Beckman, Mrs. Blackmore, Sponsor; Dick Garde. *Second row:* Gail Barzune, Carol Keck, Mary Ann Edwards, Micky Newton, Carol Hodges, Jimmy Spence, Paul Kunde.

The Document

"Caption, please!" Editor John Ingram and Class Editor Ann Stooksberry think up a good one.

Among the traditions established at any new school should be the building of an annual which will be a worthy representation of that school and its activities. This task is far from easy, and it requires the cooperation as well as the support of the entire student body.

The staff of the First Edition DOCUMENT have bent their labor toward producing, even in the first endeavor, an annual of first rate quality, in order that it may be equal to the already outstanding achievements of Thomas Jefferson High School.

Here, then, is a possession to be prized—your first DOCUMENT. In future years it will be a cherished remembrance of a wonderful first year.

STAFF: Talbot Wight, Johnny Gaughan, Billy Cox, Jo Ann Cummings, Nancy Akridge, N. Harrison, Sponsor; John Ingram, Ann Stooksberry, Barbara Walker, Bill Proctor.

"I wonder who that is on the second row?" Nancy Akridge and Barbara Walker find a typical yearbook problem.

Sports Editor Bill Proctor and Photographer Billy Cox pick out the 780th picture.

"Isn't this fun?" Business Staff members Johnny Gaughan and Talbot Wight handle subscription and advertising funds. *Not pictured:* Jay Ordeneaux.

The Reveille

Mrs. Snell demonstrates the finer points of Journalism to Larry Jackson, Business Manager; Lynette Taylor, Editor; and Anne Hyman, Feature Editor.

LYNETTE TAYLOR, *Editor*

The sporting approach is taken by Paul Van Wagoner, Photographer, and Reggie Bowman, Sports Editor, while Reporters Phyllis Rogers and Valerie Brown work beaverishly.

Linda Davis; cartoonist (second from left), explains her latest to Reporters Cynthia Smith, Sandra Sutton, Tom Hilker, and Roe Miller.

"Gee whiz, isn't this marvelous?" The staff cheers itself up after the gruelling weeks of putting the paper together.

Dallas, Texas, 1957 — The newspaper of Thomas Jefferson High School was launched this year amid much discussion as to what the name and content should be. At length "The Reveille" was chosen by the student body, and a new tradition established. Published each six weeks by the staff pictured on this page, "The Reveille" has found favor with students and faculty alike. Much credit is due to the members of the beginning staff, as the task of building a paper is indeed a difficult one.

The 1957 Rebel Band has displayed amazing talent in view of the fact that it is functioning as a unit for the first time this year. Composed of seventy-eight pieces, the band has performed for various school programs and P.T.A. concerts, as well as for the Dallas Music Federation. Mr. Lund, first semester Director, and Mr. Vick, second semester Director, are to be complimented upon their accomplishments. Band members are looking forward to their new uniforms, of West Point dress style in red and blue, for next season's football games.

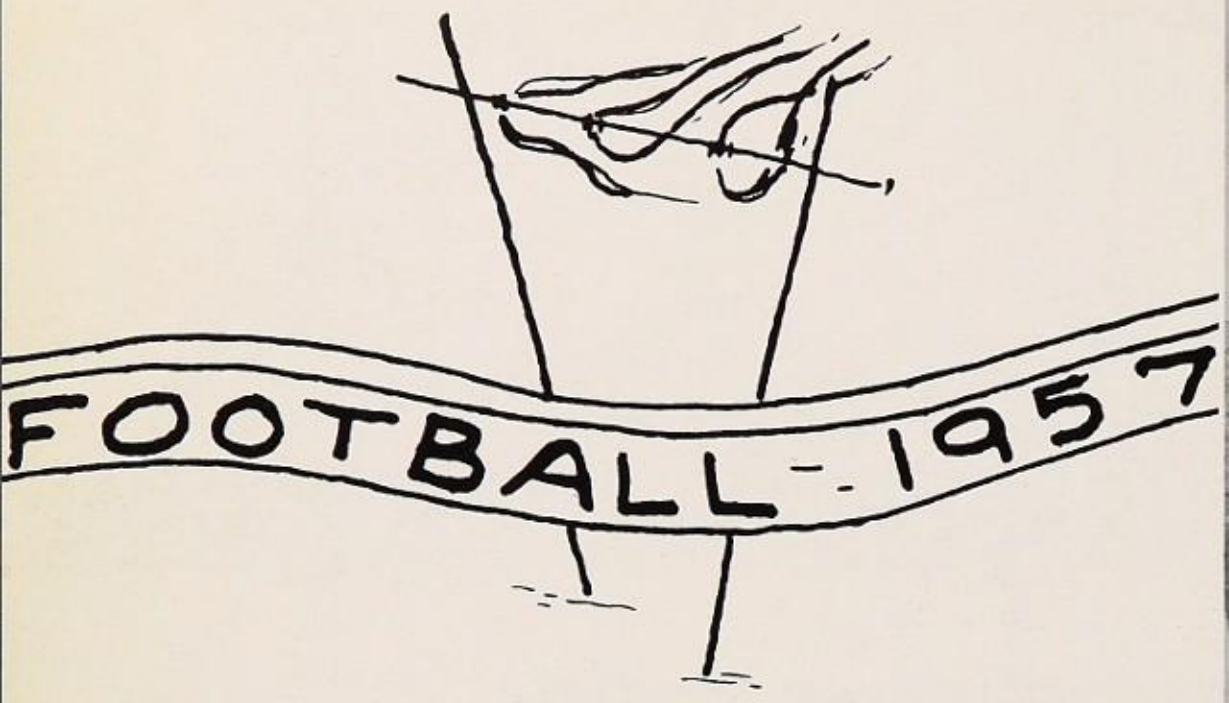
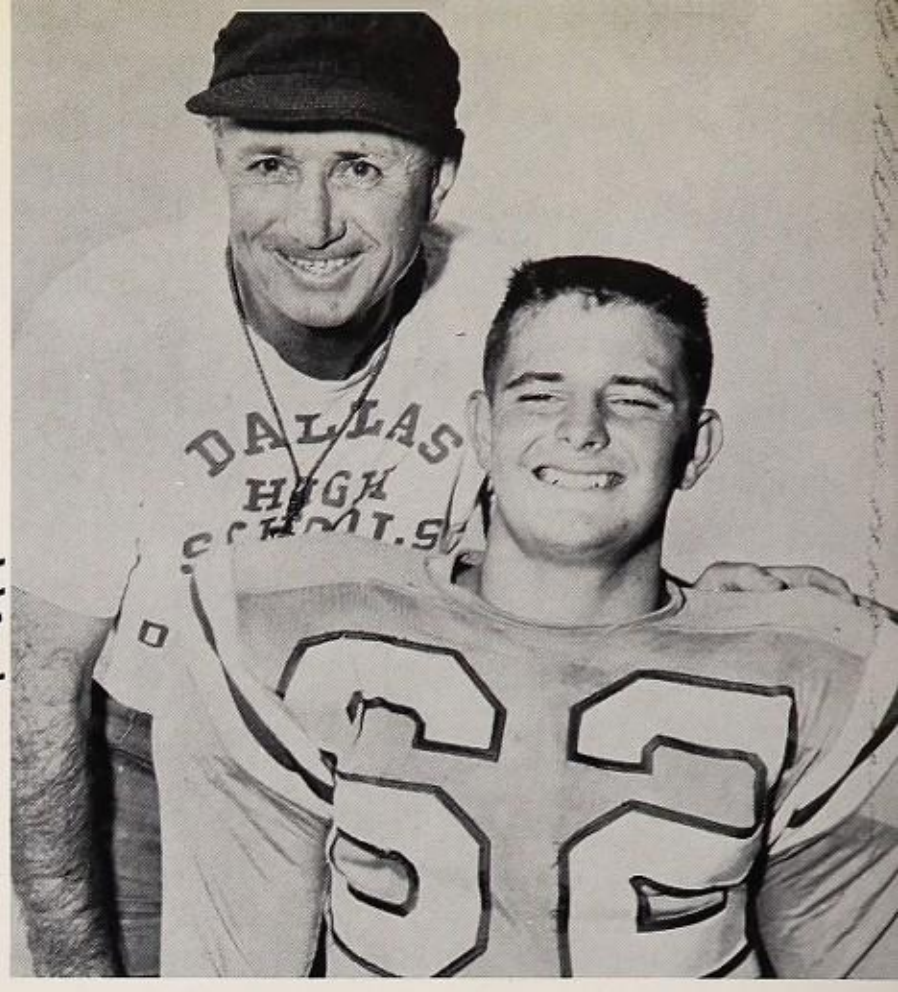
Leading the Rebel cheers for the 1956-1957 season, the energetic group of "gyrating jessies" has proved a large factor in the spirit behind the Thomas Jefferson teams. Head Cheerleader Doan Simmons and her able staff have come up with yells both original and well-beloved, so that the Rebels have yelled with the best of 'em!

C'MON, YELL,

YOU REBELS!



Head Coach Herman Cowley
and Captain Guy Story.



The first Rebel football team made its debut in high style. With seven wins, one loss, and one tie, our players have, without a doubt, set a high standard for future Jefferson gridders. With a swift backfield and a powerful line, they have shown that they possess the potential to make a good name for themselves in future district competition.

Jefferson 39 — Segoville 27

With a well coordinated display of offense and a stout defense, the Rebels easily slew the Dragons. T. J. took command of the ball in the middle of the first quarter after the Dragons had drawn first blood. Then Terry Richardson made his football debut with the Rebels by racing 46 yards for the first TD.

Shortly afterward a beautiful 37-yard pass from Seay to Nichols was erased by a penalty. Refusing to be robbed, Seay made the same play work again for the second Rebel TD. Halftime came with the Rebels leading 12 to 7.

Evidently the Rebels got a tongue-lashing for just making two scores, because they broke the game wide open in the second half. Bobby Benson made the first TD, followed by Ronnie Jones, Buddy Nichols, and Bob Clinger respectively.

Jefferson 13 — Handley 13

TERRY DON RICHARDSON

The TJ Rebels met the Handley Greyhounds, Friday night, Sept. 21, at Handley in a deadlocked score of 13 to 13.

The Rebels were the first to score in the second period when Seay carried over from the one-yard line. Handley finally caught fire and scored the last few minutes of the period. The third period was scoreless. In the remaining five minutes of play of the fourth period, Clinger intercepted a pass for the Rebels which led to a TD by Seay. The extra point by Nichols was good. Terry Schroeder returned Nichols' kick to the Rebel 25 which ended in another TD and successful conversion, making the final score 13 to 13.

Jefferson 13 - Brewer 7

The mighty Rebels upset the Brewer Bears Thursday night, Sept. 27, by a score of 13-7 at Franklin Field.

The Rebels didn't slow down after receiving the opening kick-off. In the first period, Richardson ran 60 yards through a Bear opening to the four-yard line. Jones, taking the ball from Seay on a pitch-out, made the four-yard carry good for six points. The Bears made their only TD on the first play in the second quarter and the conversion was good.

A fumble, recovered by Rippy, led to the TD play by Jones and Seay, consisting of a run around left end. Nichols successfully divided the goal posts with the ball for the extra point.

Brewer was able to carry the ball in the last two and one-half minutes of play to the one-yard line, but the Rebels held the Bears scoreless in the last period of play.

Jefferson 26 - Carrollton 7

AUBREY MOODY

On Friday night, Oct. 12, the Rebels met the Lions in Carrollton in a gruelling battle in which the Rebels were the victors. The score was 26 to 7.

The first score of the game was tallied by the Rebels on a 95-yard drive in eleven plays. The TD came when Jones swept around the end for six yards in the second quarter. The second quarter was good for another TJ TD on a pass play from Seay to Nichols.

The Lions opened play in the second half with a 66-yard move down field, ending in a pass play which was good for six points. The conversion was good. The Rebels returned the kick-off to their 35-yard line, and in 12 plays moved 65 yards to pay dirt for the third time, making the score 18 to 7.

During the fourth period, the Rebels, recovering from a Lion fumble, moved to the Lion one-yard line. They scored on a sleeper play to Seay. The try for the extra point was good. TJ wins, 26 to 7.

Jefferson 24 - Woodrow "B" 0

The Rebels kept their undefeated record intact Thursday, October 18, with a 24-0 victory over Woodrow Wilson "B" at Franklin Field.

Jefferson failed to score in the rain-marred opening quarter, but scored two TD's in the second quarter and one in the last half.

Ronnie Jones' five-yard plunge brought the Rebels their first score. Later in the second quarter, Seay passed to Huffer for another TD which made the score 12-0 at the half.

Seay again passed but this time to Nichols who set up the third quarter TD which was made by Clinger. Reggie Bowman's two-yard plunge brought the scoring to an end.

Woodrow was able to threaten only once, moving to the Rebel 15 just before the end of the first half.

FRANK HALEY

The Rebels marked up their sixth victory Thursday night, October 25, at Franklin Field, when they defeated the Richardson Eagles 20 to 0 as Jefferson's poise and class proved too much for a hapless but game Richardson team.

The Rebels cashed in on two of Richardson's mishaps during the first half of play to account for two of their scores. The first was scored on a carry by Bob Benson over right tackle after a Richardson fumble. The second TD came by a power play by Terry Don Richardson after an attempt to punt failed.

Jefferson tallied again when George Seay presented a 66-yard drive late in the second period. He completed four out of five passes, the last one being for two yards to Buddy Nichols and a touchdown. TJ's scoring was rounded out by Ronnie Jones, midway in the final period, on a run over left tackle. Nichols then converted.

Jefferson 18 — Seymour 21

Three extra points were just enough to hand TJ its first loss Friday, November 2, at Franklin Field, as the heavier Seymour Panthers barely sneaked by the Rebel team. Unbeaten in six starts, the Rebels stayed ahead of the Class "AA" Panthers for nearly two and a half quarters, but a third period Seymour tally and the extra point kicking put the Panthers out in front.

Ronny Jones accounted for the first score, but Nichols' kick was wide. Second period scoring depended upon the passing of George Seay, but again the conversions were ineffective.

Seymour dominated the second half, as they scored the go-ahead tally and converted to add the decisive points. In the final period, with one minute to play, Jefferson tried a fourth-down pass from the Seymour 30, only to have it intercepted in the end zone for a heart-breaking finish.

Jefferson 72 - Castleberry 7

RICHARD WESTBROOK

A slow-starting Thomas Jefferson team took a quarter to warm up before routing the Castleberry Lions of Fort Worth, 72-7, Thursday night, November 9, at Franklin Field.

Jefferson scored first when Giddens took a Lion punt on his 30 and went all the way. Seay's kick was wide. The Lions then went ahead on a kick conversion. But from there on the Rebels dominated.

In the second quarter David Jones capped a 43-yard drive with a seven-yard TD run. Seay's kick was wide. The next time the Rebels got the ball they took it for a TD in two short plays. Aubrey Moody scored and Seay converted.

David Ray then tallied a TD with Seay again converting.

Seven TD's and three conversions later the game came to a close with the Rebels storming the Lions 72 to 7.

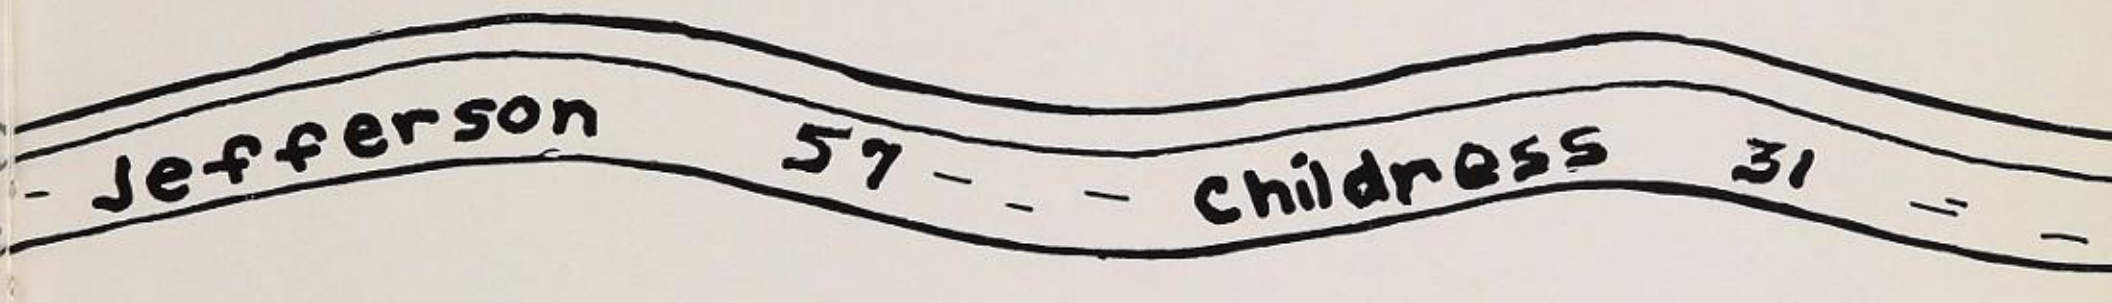
Childress on the move but Giddens saves the day!

SIMTHY CAUDLE



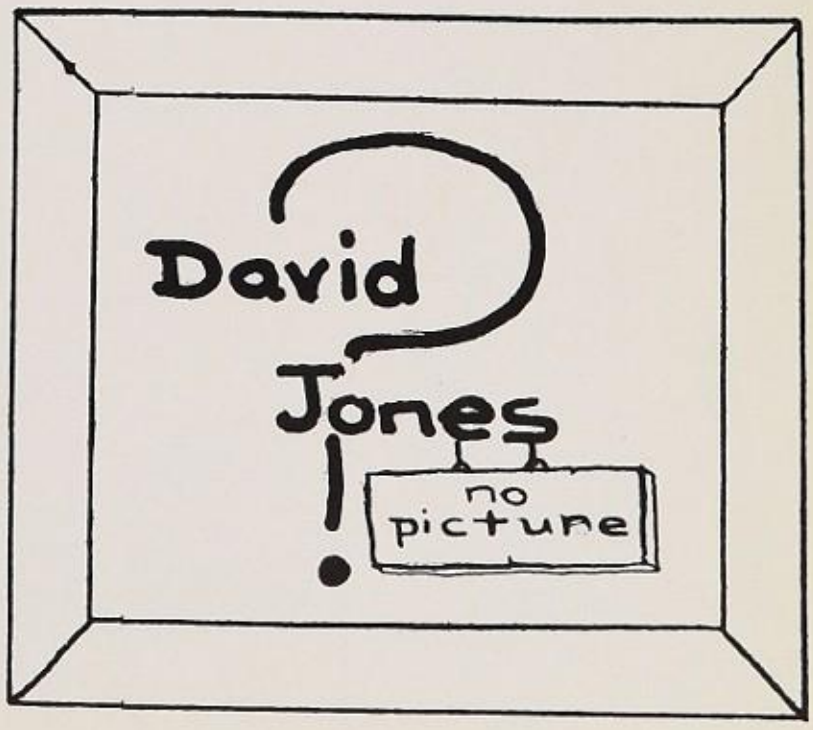
Childress was stormed Friday, November 16, by Jefferson at Childress, with a score of 57-31.

Never behind, TJ led 19-13 at the end of the first quarter and had stretched the margin to 31-13 at the half. The visitor applied the pressure to score twice in each period after the intermission.

Rebel quarterback George Seay paced the attack, scoring twice and passing for three more T.D.'s.

Bob Benson plunged over from the one to give T. J. its first T.D. in the opening quarter. Buddy Nichols converted. Childress quickly tied the Rebels.

Nine T.D.'s and two extra points later the game came to ar. end with T. J. romping over Childress with a score of 57-31.



Captain George Seay and Coach Archie Porter.

BASKETBALL 1957

For the Jeff Cagers this was truly a year for gaining experience. Composed almost completely of sophomores, the youthful Rebel team nevertheless made a better showing than was expected. With the double scoring punch of George Seay (who upon one occasion sunk a total of 41 points) and Paul Thompson, our team will undoubtedly prove to be a basketball power in future years.

= TRACK 1957 =

The Jeff track team has already made quite a name for itself in various meets, including a fourth place in the highly-touted Dal-Hi Relays, in which seventeen other high schools competed. With the worthy efforts of such stand-outs as Bob Clinger, Terry Richardson, Glen Watson, Tommy Lea, and others, our cinder-men should attain even greater heights.
